Approve Equipment Purchase Agreement with California Electrical Supply for Wireless Lighting Control System Hardware

That the City Council:

1. Authorize the City Manager to approve an Equipment Purchase Agreement with California Electrical Supply in the amount of \$750,375.00 for wireless lighting control system hardware;
2. Authorize the City Manager to approve extra work not to exceed the contingency amount of \$75,037.50, which is equal to 10% of the agreement amount.
