Proposed Traffic Calming Measures at Harveston Drive

1. Direct Staff to review and install crosswalk striping improvements with a RRFB and warning signs at a pedestrian path. The location will enable connectivity from the Harveston Center Sports Park to the Harveston Paseo Path (See Exhibit A);
2. Direct Staff to conduct a Warrant Analysis with traffic volume data collection for the feasibility of Stop Signs at the identified locations (See Exhibit B);
3. Provide direction to staff regarding proposed “Road Diet” narrowed lane striping depending on available budget (see Exhibits E - H).
